How to use this booklet

This is a list of charities and services which you, your family and friends may find useful. It is divided into sections for your ease of reference.

The Contents Page will help you to find the sections relevant to your query/search and provides the relevant page number(s).

The first section in the booklet lists key charities/organisations that can direct you to the relevant charity/service if you are unsure which charity/service may be the best for your needs/query. The subsequent sections are listed in alphabetical order.

The index at the end of this booklet lists charities and services in alphabetical order together with their page number(s).

Charities may be represented in several sections of this booklet, depending on if they supply multiple types of services offered.

Disclaimer

We cannot recommend any of these charities or services personally and whilst we have tried our best to check all the information we have listed is correct and up to date we acknowledge this information may change. If you are thinking of using any service or contacting any charity listed in this booklet it is your responsibility to check their credentials

www.soldiersartsacademy.org

SAA is a not-for-profit which gives serving and former military personnel a route into arts. Engaging with SAA may be part of a recovery process; it may provide training for a step into a new industry; or it may simply be there to help support the transition into civilian life. SAA works with actors, directors, producers, writers, dancers, and poets.

SENSE
